

# Brush Up on Fun with the Family at Paint Yourself Silly!

**by Reporter Shane Weinstein

Get ready for a family retreat and go to Paint Yourself Silly. It's a great family experience. Located on Tanque Verde Road, this pottery painting place is a great way to catch up on things. I love to go there with my family because we chat about what's new in our lives as we paint our pottery.

You go in and pick out your piece of pottery—blank plates, bowls and cups, and for little ones, blank figurines. Then you sponge it down, pick out your colors and start painting. You need to put on two to three coats on each part. It can take several hours, so if you have little kids who

get tired, you can always leave and then come back to finish your piece. Paint Yourself Silly will hold your piece for up to 30 days.

After you're done painting, you need to leave your creation there so it can be fired in the kiln. Then they'll call you in about a week to 10 days so you can pick up your masterpiece!

Paint Yourself Silly is open Tuesday through Saturday from noon to 8 p.m. and on Sunday from noon to 5 p.m. You can reach the store by calling 885-4755. They also do birthday parties. So when you have the chance, go brush up on fun at Paint Yourself Silly!
